

Praise for Sophia Institute Press . . .

"I am convinced of the good that the books published by Sophia Institute Press can do in helping people grow closer to God."

Blessed Mother Teresa of Calcutta
Missionaries of Charity

"This fine Catholic Press is making the classic works of our Catholic faith available to a new generation of readers. Our age, now more than ever, needs a Catholic publishing house which has dedicated itself unreservedly to such a worthy cause."

John Cardinal O'Connor
Archbishop of New York

"Sophia Institute Press lives up to its name. It takes from Catholic wisdom, both classically and newly expressed, what is needed to strengthen the faith in our day. I am glad to support its work and urge others to do so, too."

Francis Cardinal George
Archbishop of Chicago

"I am delighted with the handsome Catholic classics published by Sophia Institute Press. These masterpieces of the Faith will help restore the Faith in our day."

John A. Hardon, S.J.
Author, *The Catholic Catechism*

"I admire the work of Sophia Institute Press. Those who read the books you print will profit greatly from the effort."

Dr. Ronald McArthur
President Emeritus, Thomas Aquinas College

"In publishing the Catholic classics, you make available again resources indispensable to Catholic spirituality. This work is particularly valuable in view of the widespread lack of familiarity among Catholic young people with the riches of their cultural heritage."

His Excellency J. Francis Stafford
Archbishop of Denver

"Sophia Institute Press is one of the most exciting publishing ventures in Christendom. They promise to be in the vanguard of the Catholic intellectual revival of the twenty-first century!"

Scott Hahn
Author, *Rome Sweet Home*

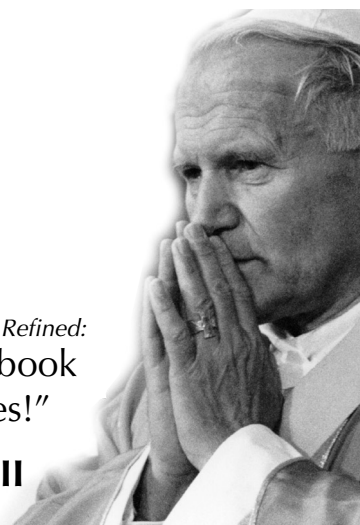

"I am a Protestant who has benefited from your books and recommend them to others. You do everyone honored with the name of Christian a great service."

Dr. Steven M. Hutchens
Publisher, *Touchstone*

"I am a pastor of a congregational church. Making the works of the saints available to our generation is an undertaking God can use for much spiritual fruit. May the Lord open His hand in blessings upon your efforts."

Pastor Russell Rohloff
Randolph, Vermont

Patrick Madrid has done invaluable work in explaining clearly and convincingly why the Catholic Church is the true Church founded by Jesus Christ. His arguments and exposition are compelling and, I would say, grace-filled.

Certainly, in an age of distraction, when so many are drifting, but also at a time when the events of September 11, 2001, reminded us that we may be called before the throne of God at any moment, a book with the title, 'Search and Rescue: How to Bring Your Family and Friends Into -- or Back Into -- the Catholic Church', is timely, relevant and welcome.

Those who are familiar with Patrick Madrid's work will undoubtedly have another 'faith lift'; those who may be reading his work for the first time will be impressed, inspired -- and convinced.

May God bless you and your work.

Sincerely in Christ,

John P. Foley
